THE LUBBOCK CHAMBER OF COMMERCE

is proud to announce

OUR PLAN TO TRANSFORM YOUR CHAMBER OFFICE!

1

A SPACE FOR TODAY AND TOMORROW

As the front porch of the business community, we are creating a multi-use office designed to offer members a place for meetings, networking events as well as an extension of their organizations - a hub for community, connection, and creativity.

Our current location is prime office space with beautiful floor to ceiling windows. We'll redesign the floor plan and develop a technology-driven coworking environment to meet the demands of an evolving workforce.

Working from home, near home or on-the-go is the new normal so the office will offer flex space for remote work or areas for a quick stop to check email, make calls or join a virtual meeting. Important amenities like high-speed internet, rooms with zoom technology, a content creation center and a kitchen will be featured.

BRAND AND BUILD WITH US The Lubbock Chamber Campaign will launch with two opportunities to support. Sealed bids for **namings rights*** on the Chamber Office Complex, Board Room, Chamber Café, Huddle Rooms, Content Creation Center, and Chamber Office Suite will be accepted giving an equal opportunity for sponsors. You can also add your support by making your name or business name a permanent part of the new **Chamber Wall of Fame**.

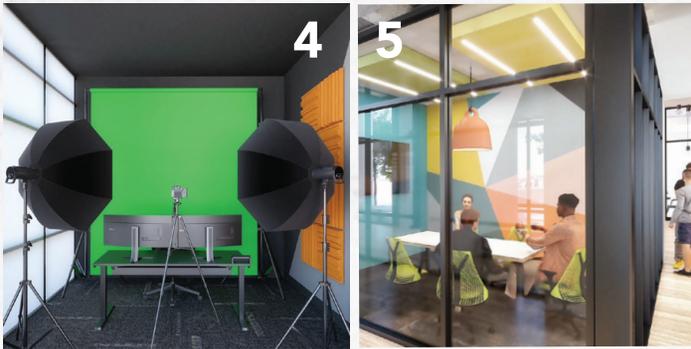

**Sealed bids will be accepted until noon on the dates specified by delivering to the Chamber office. Only one company from each industry will receive naming rights. Winning bids will be selected by the Executive Committee based on the best overall proposal. Commitments are payable over a five-year period.*
